1. Claims 15 and 17 are allowed. As per the restriction mailed 22 October 03, Nonelected dependent claims will be rejoined, so long as the parent claim remains generic to the species claimed. In this case, parent claim 15 is no longer generic and now reads only on the species of figures 6a and 6b.

Figure 6b shows that the relief face is not perpendicular, so claim 18 must be cancelled.

Figure 6b shows that the tooth straight portion is spaced slightly away from the tip, as opposed to being *at* the tip, so claim 19 must be cancelled.

Figure 6b shows that the rake face is perpendicular, so claim 20 will be rejoined.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 18 and 19 have been cancelled.
